As regards the discrepancy the Deputy may perhaps be asked for an explanation. Regarding delay it might have been contributed by delay in communication to the persons concerned. Some of them live in out the way places. The order was passed on the 16th November the amounts have been paid up by the 16th Dec. Sir,

With reference to your letter No.Fl.1705/B.18-13-2 dated 24th September 1913, forwarding for report a petition dated 19th September 1913 from Subbiah and other indebted members of the late Agricultural Bank at Muduvatti, Kolar Taluk, I have the honor to state as follows:-

2. An advance of Rs 5,000 was sanctioned to the said Bank by Government Order No.270-23 dated 9th September 1897, and by Government Order No.2067-76 dated 10th November 1902, this amount was ordered to be recovered in ten equal annual instalments.

3. Finding the affairs of the Bank unsatisfactory, Government in their No.R.901-3 dated 12th September 1903 directed the realisation of the dues of Government, and suggested steps for recovery by proceedings, in the first instance, against the indebted members of the Bank. The lands of such members were accordingly put to sale. Owing, however, to a succession of bad years, no bidders came forward to purchase them.

4. On this, a recommendation was made to Government, that the indebted members might be allowed to pay up their respective dues in 8 instalments. Government accepted this recommendation in their ~~letter~~ No.7526-8 dated 6th May 1905 observing that the Bank should be wound up and that the amounts due from these members should be properly secured and made recoverable as arrears of revenue demand.

5. The Bank was wound up, and the members were called upon to pay the loan in 8 instalments. Because of the bad seasons, Government in their Order No.9586-7 dated 26th June 1907 postponed the first instalment which fell due in 1905-06 to 1906-07. Since the year 1905, only two members have discharged their dues; while the others have paid nothing although 7 years have elapsed since the above Government order was passed.

There are 7 members who still owe money to the Bank as per particulars noted in the margin, and the balance amounts to Rs 2,873-12-9 .

6. As the indebted members did not pay their dues in spite of the several concessions shown them by Government, it was ordered that the crops on the lands hypothecated to the Bank

should be sold, and the proceeds thereof credited towards the arrears. This was done, but the amount realised was very small.

7. As the defaulters seemed unwilling except under pressure, to pay the dues of Government, and went on asking for extension of time to repay, and as I saw no other way to deal with them, I passed orders on the 17th September 1913 that notices be issued to them, that on failure to pay within 15 days from the receipt of the notice, they would be arrested and put in jail under section 163 of the Land Revenue Code. But before effect was given to this order, these indebted members came to me and promised to pay their dues within a fixed time, and prayed that the interest may be excused, should they keep up their promise. This was granted. 3 persons paid up the full amount of the principal within the time fixed by me, and I recommend that they be excused the payment of the amount due from them as interest.

8. As regards the others - these are the persons who have presented the petition - I beg to state that the several concessions shown to them by Government have been of no avail, and that the dues of Government cannot be recovered unless stringent measures are adopted. For this reason, and also in accordance with letter No.553-58 dated 4th May 1915 from the Registrar of Co-operative Societies, requesting the adoption of stringent measures for the collection of all arrears due by the Agricultural Bank, I have issued needful orders to the

in the matter of early recovery of the dues.

9. There is therefore no unfair advantage taken of the indebtedness of the petitioners as stated by them in their petition, and what has been done has all been to facilitate recovery of the dues of Government.

10. I enclose the vernacular records for reference.

I have the honor to be,

Sir

Correspondence ending with the following letter No.250 dated 18th December 1915 from the Deputy Commissioner, Kolar District, reporting on petition dated 19th September 1913 from Subbiah and other indebted members of the late Agricultural Bank at Muduvatti, Kolar Taluk.-

With reference to your letter No.Fl.1705/B.18-13-2 dated 24th September 1913, forwarding for report a petition dated 19th September 1913 from Subbiah and other indebted members of the late Agricultural Bank at Muduvatti, Kolar Taluk, I have the honor to state as follows:--

An advance of Rs.5,000 was sanctioned to the said Bank by Government Order No.2720-23 dated 9th September 1897, and by Government Order No.2067-76 dated 10th November 1902, amount was ordered to be recovered in ten equal annual instalments.

Finding the affairs of the Bank unsatisfactory, Government in their No.R.901-3 dated 12th September 1903 directed the realisation of the dues of Government, and suggested steps for recovery by proceeding, in the first instance, against the indebted members of the Bank. The lands of such members were accordingly put to sale. Owing, however, to a succession of years, no bidders came forward to purchase them.

On this, a recommendation was made to Government, that the indebted members might be allowed to pay up their respective dues in 8 instalments. Government accepted this recommendation in their No.7526-8 dated 6th May 1905 observing that the Bank should be wound up and that the amounts due from these members should be properly secured and made recoverable as arrears of revenue demand.

The Bank was wound up, and the members were called upon to pay the loan in 8 instalments. Because of the bad seasons, Government in their Order No.9586-7 dated 26th June 1907 postponed the first instalment which fell due in 1905-06 to 1906-07. Since the year 1905, only two members have discharged their dues; while the others have paid nothing although 7 years have elapsed since the above Government order was passed.

There are 7 members who still owe money to the Bank as per particulars noted in the margin, and the balance amounts to Rs.2873-12-9.

As the indebted members did not pay their dues in spite of the several concessions shown them by Government, it was ordered that the crops on the lands hypothecated to the Bank should be sold, and the proceeds thereof credited towards the arrears. This was done, but the amount realised was very small.

As the defaulters seemed unwilling except under pressure, to pay the dues of Government, and went on asking for extension of time to repay, and as I say no other way to deal with them, I passed orders on the 17th September 1913 that notices be issued

to them, that on failure to pay within 15 days from the receipt of the notice, they would be arrested and put in jail under section 163 of the Land Revenue Code. But bef effect was given to this order, these indebted members ca me and promised to pay their dues within a fixed time, an prayed that the interest may be excused, should they keep up their promise. This was granted. 3 persons paid up t full amount of the principal within the time fixed by me, I recommend that they be excused the payment of the amoun due from them as interest.

As regards the others - these are the persons who h presented the petition - I beg to state that the several concessions shown to them by Government ~~xxxxxxxxxxxxxxxx unless~~ have been of no avail, and that the dues of Govern cannot be recovered unless stringent measures are adopted For this reason, and also in accordance with letter No.553-58 dated 4th May 1915 from the Registrar of Co-operative Societies, requesting the adoption of stringent measures for the collection of all arrears due by the Agricultural Bank, I have issued needful orders to the Amildar in the matter of early recovery of the dues.

There is therefore no unfair advantage taken of the indebtedness of the petitioners as stated by them in thei petition, and what has been done, has all been to facilitate recovery of the dues of Government.

I enclose the vernacular records for reference.
